

Betty Rowcliffe

East Adams Rural Hospital and District Clinics would like to introduce Betty Rowcliffe, our highlighted employee this week.

Betty Rowcliffe is the Dietary Aide at East Adams Rural Hospital. Her responsibilities include making sure that patients are getting their meals and maintaining the kitchen. In addition she is also a NAC for the hospital which includes caring for the patients that have been admitted to the hospital or present to the emergency room.

Betty was born in Eugene, OR and grew up in Springfield, OR. In 1970 she married her husband, Harold, when she was living in Elk, WA. Betty and Harold moved to Ritzville when Harold started working for her dad at the grocery store. Betty began working for the District in August of 1992 as a NAC.

Betty has one sister, three step sisters, and one brother.

Betty's goal is to retire and travel. Her greatest accomplishment is graduating from Interstate Computer Academy with all A's. She decided to go into healthcare because she always enjoyed taking care of people and wanted to do something where she could. The best part of her job is being able to work with the patients.

Outside of work, Betty is the leader of the Ritzville Girl Scout Troop. She collects salt & pepper shakers, stuffed animals, and miniature tea sets. She enjoys gardening, fishing, camping, most crafts, and cooking.
