

# Beth Smith

Beth Smith is a nursing assistant in the Ritzville Clinic. Beth's duties include monitoring and recording patient vital signs for the providers. She also assists with the paper work that is involved.

Beth began working for the District in 2002 as an EMT and then became and NAC where she has worked both in the hospital and the clinic.

Beth grew up and went to school in Gresham, Oregon. She is one of five children. She moved to Ritzville in 2000 with her family. Beth has four children- Tiffanie (husband Kyle and grandson Guy), Emily, Lexie, and TJ.

One of her favorite things to do when she is not working in the clinic is to watch movies and participate in winter sports.

Beth states that her biggest accomplishment in life is having a happy and healthy family. One thing that she loves about her job is that she feels that she makes a real difference.
