

Kylie Buell

East Adams Rural Hospital and District Clinics would like to introduce Kylie Buell, our highlighted employee this week.

Kylie Buell is the District's housekeeper. Kylie's duties include maintaining a clean facility and driving the Care-A-Van. She also acts as a backup on dietary if needed. Kylie began working for the district in October 2007.

Kylie was born and raised in Clarkston, WA and is an only child. In 2005 she moved to Ritzville so that her children would be raised in a good environment. She has three children, Jessica , Dylan , and Drake.

Kylie decided to go into healthcare because just knowing that whatever the position, you can make a difference, even if it is just putting a smile on someone's face. The thing about her job is her co-workers.

One of Kylie's goals is to become a NAC and possibly an EMT. Her greatest accomplishment is having three of the greatest, smartest, and healthiest kids ever.

When not working, Kylie enjoys spending time with her kids and her significant other. She also enjoys snowmobiling, fishing, and watching movies.
