

# Kimberly Yerbich

East Adams Rural Hospital and District Clinics would like to introduce Kimberly Yerbich, our highlighted employee this week.

Kim Yerbich is the Director of Patient Accounts at the District. Her responsibilities include billing insurance, billing patients, and assisting patients with their accounts. In addition to the Business Office responsibilities, Kim is also an EMT for the Ritzville Ambulance and a NAC for the hospital.

Kim was born in Spokane, WA and grew up and graduated in Kahlotus. Kim moved to Tacoma while attending Pierce Community College for four years. She moved back to Kahlotus to be closer to family.

Kim has two older sisters and two younger brothers. She also has two nieces, one lives in Cheney, the other niece and nephew currently live in Okinawa Japan.

Kim began working at the District on October 15, 2001. The two things that she likes best about her job is the variety of work from office to ambulance and the people that she works with.

Outside of work Kim belongs to the Ritzville Volunteer Ambulance Association. Some of her favorite things to do are cooking, having family get-togethers and spending time with her friends.
