

Linda Thomas

East Adams Rural Hospital and District Clinics would like to introduce Linda Thomas, our highlighted employee this week.

Linda Thomas is a per diem Registered Nurse at East Adams Rural Hospital. Her responsibilities include taking care of patients who are admitted or come to the emergency room.

Linda was born and raised in Spokane, WA. She moved to Ritzville in 1992. Her family got tired of the crime rate in Spokane so they took a drive and ended up in Ritzville, bought a home, and now they love it here.

Linda has three sisters and one brother. She has two children, Marcia and Swaine. She also has one granddaughter who lives in Spokane and the cutest child on the planet.

Linda's goal is to be successful and happy at everything she does. Linda decided to go into healthcare when she was eight years old because her grandmother was an LPN and looked great in her starched white uniform and cap and Linda wanted to look just like her. The best part of her job is knowing that what she does will make a difference in somebody's life.

Outside of work, Linda and her husband love kite flying at the ocean with their family. Some of her hobbies include playing and spending time with her granddaughter, kite flying, sewing, needlepoint, and crocheting. Two of her greatest accomplishments are her marriage to Mark and their two children and granddaughter and obtaining her RN license after the age of 50.
