

Travis Blake

East Adams Rural Hospital and District Clinics would like to introduce Travis Blake, our highlighted employee this week.

Travis Blake is a full time EMT, for Washtucna, at East Adams Rural Hospital. His responsibilities include caring for and transporting patients on the ambulance and assisting the hospital staff when needed in the emergency room. He has worked at EARH since February of 2007.

Travis was born at St. Peters Hospital in Olympia, WA and grew up in Yelm, WA. He moved to Washtucna seven years ago. He has two younger brothers, one from Yelm and one from Lind, and one sister, from Tacoma. He has four children, Haddy (7), Dillon (6), Riley (5), and Logan (2).

Travis decided to go into healthcare because it was a good step toward his goal of becoming a paramedic. The best thing about his job is helping people in need and danger. His greatest accomplishment is his children.

Outside of work he is a member of the Washtucna Fire Department and the Washtucna Lions Club. He also does as much as he can for their small community. Travis also trains horses for a side job. So he loves to ride and spend as much time as he can with the horses.
